## TBS iNsght™ Bone Structure Matters

---

Dear readers,

We are very pleased to announce the continued global adoption of TBS iNsght as an independent predictor of fracture risk. We hereby provide you with a quick synopsis of the topics we address in our Spring 2016 Newsletter. You can learn more about each of these topics in the designated section of the full Newsletter below.

1. Participate in our raffle to win a 1-year trial license in the context of the World Congress of Osteoporosis
2. Make sure you don't miss the TBS symposium on Saturday the 16th of April at the WCO
3. Download our new Compendium of 10 TBS clinical case studies
4. Familiarize yourself with TBS iNsght – we now make available a 60 day free trial license from our website
5. Discover our newly launched elearning platform with application and clinical modules
6. Learn more about TBS iNsght

### 1 - TRY TO WIN a one-year TBS iNsght Trial License at WCO-IOF-ESCEO in Malaga!

Come discover the latest news & studies about TBS iNsght™ software during the WCO-IOF-ESCEO Annual Congress in Malaga! Enter our raffle and try to win a one-year TBS iNsght trial license.
